[View App Configurations](#)

Apps are an easy way to add new features to Canvas. They can be added to individual courses, or to all courses in an account. Once configured, you can link to them through course modules and create assignments for assessment tools.

[See some LTI tools](#) that work great with Canvas.

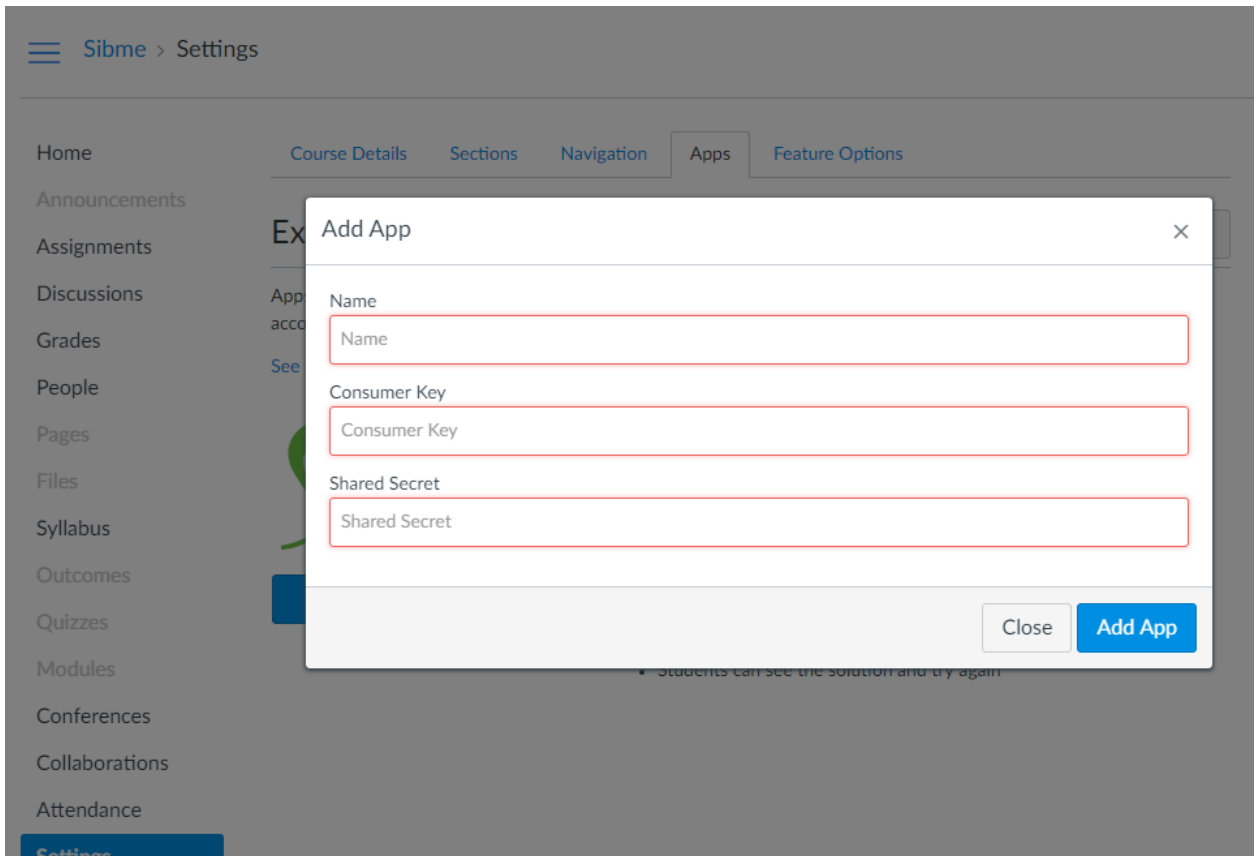

All Not Installed Installed

Sibme

- Click on **Add App** and a dialog box will open.
- On adding an app, a dialog will ask you to fill, e.g. **name**, **customer key** and **shared secret**.
- To get this information you need to contact Sibme Administrator by clicking at this link. (picture attach) next page:

<http://sibme.com/#contact-modal>

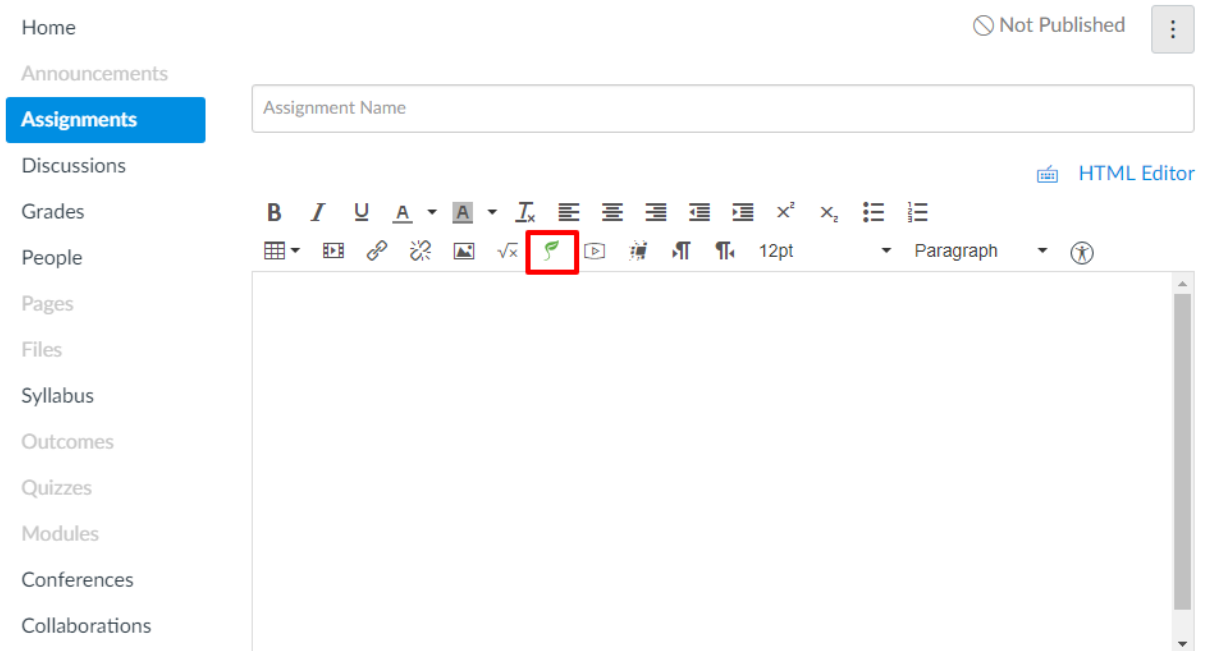

- After Sibme Administrator provides with the required information, please add this information in the dialog box and Sibme App will be added in your canvas.

Steps to submit an assignment.

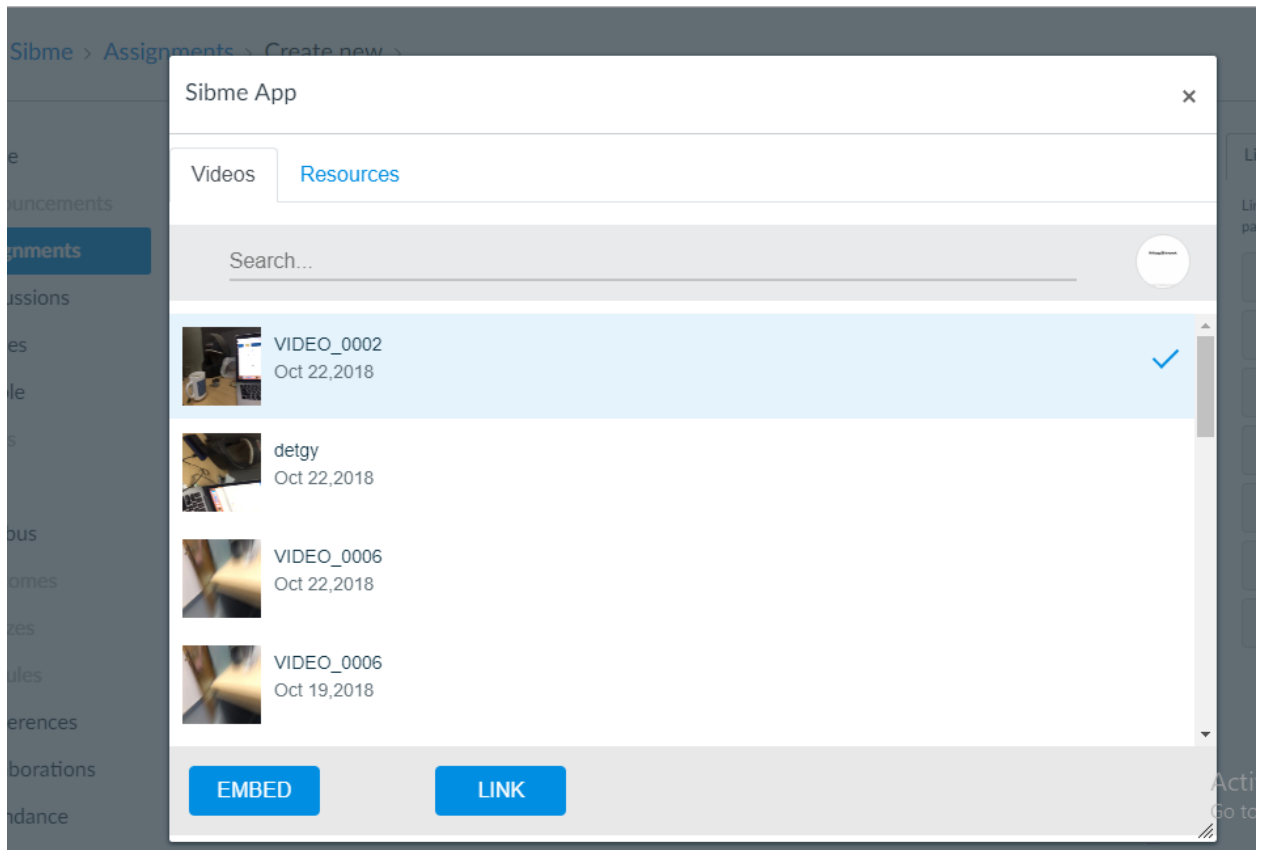

- From your canvas, please select on the icon '**Courses**' and select **Assignment** (Instructor)
- At your right corner, click on button '**Assignments**' and a new page will open up, shown below.
- Fill in your information and select assignment video from editor tools. (also highlighted in red)

[Sibme](#) > [Assignments](#) > Create new >

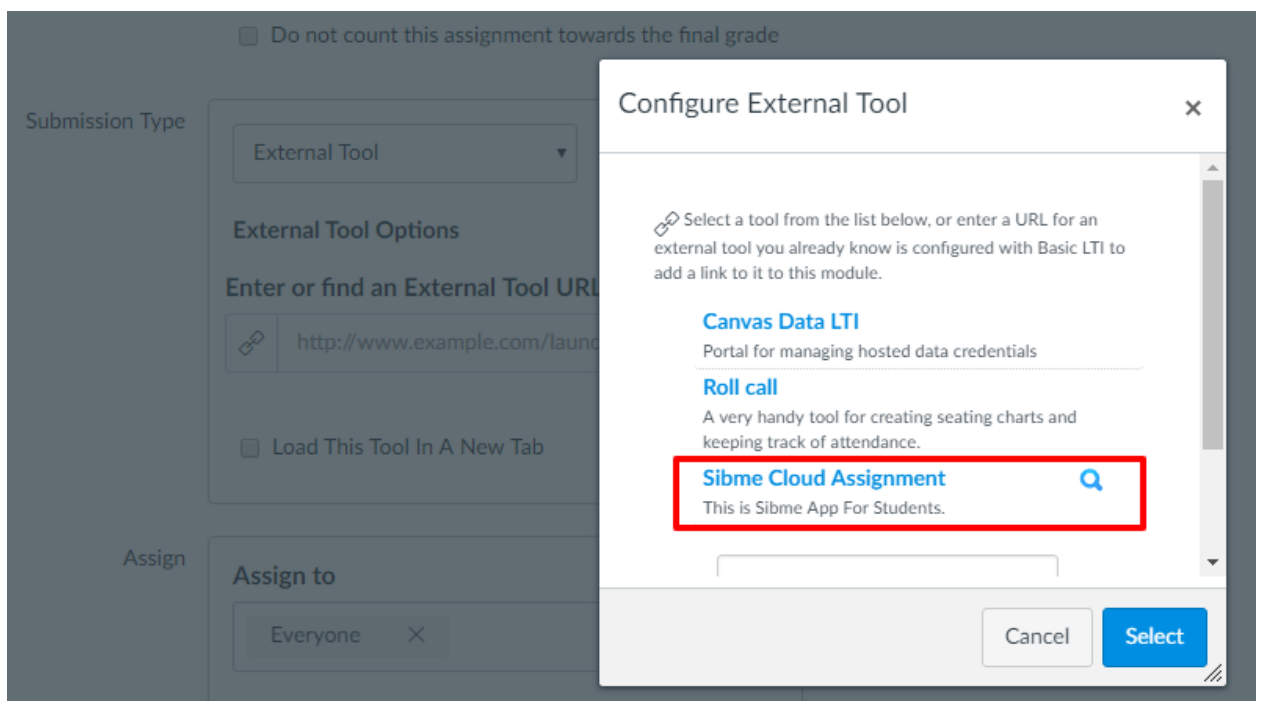

The screenshot shows the 'Assignments' creation page in the Sibme system. On the left is a navigation menu with options: Home, Announcements, **Assignments** (highlighted in blue), Discussions, Grades, People, Pages, Files, Syllabus, Outcomes, Quizzes, Modules, Conferences, and Collaborations. The main content area has a 'Not Published' status indicator and a text input field for 'Assignment Name'. Below this is a rich text editor toolbar with various icons for text formatting (bold, italic, underline, text color, background color, strikethrough), alignment, indentation, list creation, link, unlink, image, math, video, and table. The video icon, which is a green leaf, is highlighted with a red square. The editor is currently set to 'Paragraph' style and '12pt' font size.

- Select video from Workspace Videos

- Under **Submission Type**, Select **External Tool**.

- Click on **Sibme Cloud Assignment** or **Search Icon**, and submit selected Huddle from pop-up. Once you submit the assignment the **Student** can view your assignment, also submit their feedback.
